

## Tuscola County Libraries

Reading aloud to children has been called the single most important activity for building the knowledge required for success in reading. Reading aloud, with children participating actively, helps children learn new words, learn more about the word, learn about written language, and see the connection between words that are spoken and words that are written.

Great Start Tuscola encourages you to take your children to your closest library and explore.

Requirements for all libraries were presenting a Driver's License or MI ID card and signing an application that includes Libraries rules and requirements and internet access. Parents need to sign registration for children under 16 to receive card and internet privileges. No fee for first card, if you lose your card, you will be charged between \$3-\$5 for a replacement card. Contact your local library to find out more details.
